

KUNDANA TECHNO TEX PRIVATE LIMITED

KUNDANA TECHNO TEX PVT LTD

- WE RECYCLE MORE THAN 1,00,00,000 BOTTLES PER DAY.

ABOUT US

Kundana Techno Tex Pvt. Ltd, is the major rPET producer of the country with world class manufacturing facilities . Backed by progressive management and associated with Pasupathi Group, Kundana offers rPET flakes as good as virgin PET.

Manufacturing facilities are strategically located at Hyderabad, a geographically vantage city for sourcing required raw material and easy accessibility to different parts of the country. The excellent logistic advantage enables , Kundana to ensure in-time product supplies to valuable customers.

OUR MISSION

Create world class Polymer Recycling infrastructure to generate Wealth from Waste.

OUR VISION

To innovate and inspire all stakeholders to achieve highest standards in Recycling and Resuse of PET by creating sustainable ecosystem.

WHAT WE DO

Spread over 45 acres with name plate n capacity of 55000 MT of rPET Flakes per annum, the state of art facilities include 5 stage Auto Sorter, best in industry.

We can fully decontaminate the PET bottles for 100% food contact level and the physical performance can be maintained or restored to virgin level.

The world's largest single-line capacity of 6.5 tons per hour PET bottle recycling.

We closely work with our clients and government bodies to realise the common objectives of sustainable environment.

Technologically driven for an advanced manufacturing process.

WHY KUNDANA IS BEST

Concern for healthy
and safe environment

Minimum use of
river water

Water conservation through
rain water harvesting

Extensive Landscaping,
30% green zone

Zero Liquid Discharge

Largest Washing Line,
Micro impurity Analyser
(<100 ppm impurities)

Superior 'Lot to Lot'
consistency

PLANET OR PLASTIC

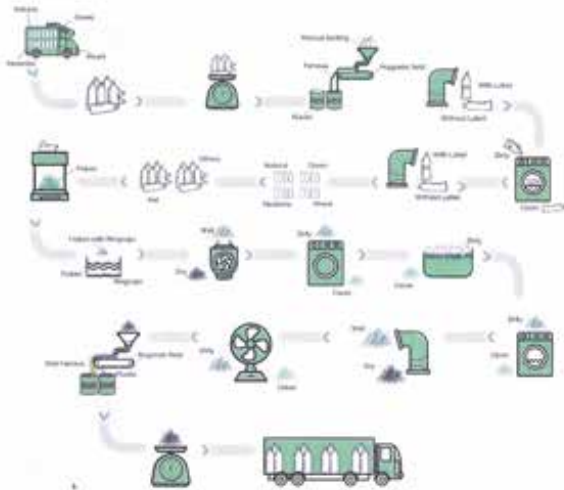

Plastic pollution is one of the most important global environment challenges of our generation. It is high time to choose the planet over plastic adopting innovative ideas of **recycling and reuse**.

For now, plastic packaging would never become waste, rather it re-enters the economy as a valuable technical or **biological nutrient**. Truly we at Kundana strive towards product stewardship, forward-thinking initiatives, innovation and breaking new ground to realise **never-before-seen solutions**.

A NEW LIFE FOR BOTTLES

Sustainable Transformation in an innovative way-
Through 'rPET Technology' using Recycled PET plastic.

WHY WORK WITH US

The Plant facilities are assessed and accredited to National and International standards :

ISO 9001:2015

ISO 14001:2015

ISO 45001:2018
